Module 4: Moving from Positions to Interests

1. **What are the positions you are taking in your practice case? Make a list of all the things you think *should* have happened in this situation and didn't as well as a list of your preferred solutions.**

2. **For each of those positions or solutions above, do some layered interest exploring. Ask yourself at least 5 interest exploring questions and try to find at least 5 interests underneath EACH position.**

   List your interests below.
